

Hi Everyone,

Welcome to skippers, crews, family members, general DS'er supporters to Severn Sailing Association (SSA)! Fleet 1 is planning for a safe, fun, and competitive event celebrating DS'ing.

To date, we have 17 boats registered for this year's 60th Anniversary NACR! See the competitor list below.

Here are some additional items:

Registration times: Since we've cancelled the junior regatta, registration and measuring will open on Tuesday at 9 AM.

Dinners: All dinners will be at the clubhouse on Wednesday, Friday, and Saturday, starting at 6. The plan is to dine outside, al fresco, under tents and on the upper deck porch, weather permitting.

Wine Prize: The NACRs have a tradition where everyone brings a bottle of wine to be given to the first competitor to round the first mark on the first day. The winner then shares the bottles with the fleet. Unless you've already purchased a bottle, please buy your wine from Botanas Fajardo, our onsite food vendor/snack bar. Our Alcohol Licenses and our contract with them provides that all alcohol consumed at the club will be bought from them when they're open. Botanas Fajardo be open Tuesday and Wednesday.

Art Auction: We won't have a raffle this year, but we'll have an auction for an original Day Sailer painting (upon which the trophies and shirts are based) by SSA artist, Claudia Minicozzi. Auction proceeds will be split between the artist and Fleet 1 (to help with our NACR expenses).

Event tickets: Each dinner participant gets 1 white ticket for each dinner and 3 blue tickets per dinner for drinks (1=beer/soda; 2=wine; 3=mixed drinks).

Gate Code: The code for the gate is 2460#.

COVID policy: Covid cases are increasing in Anne Arundel County (Annapolis), although at lower rates than elsewhere in the country. Accordingly, the SSA's covid policy remains in force. Members and guests assume responsibility and liability for their own health, must take all necessary precautions, including getting vaccinated, and visit SSA at their own risk. **Please do not come to the club if you are displaying any symptoms of Covid-19.**

Compliance with the following guidance by members, competitors, and guests is required.

All competitors and guests must establish their vaccination status. Please bring your vaccination card, or a copy or photograph of the card.

Competitors who did not register online will need to sign a club Covid waiver in addition to the club's regular racing waiver. Forms will be available at registration.

For vaccinated individuals, masks must be worn at all times when inside the clubhouse, except when showering.

Non-vaccinated individuals must wear masks indoors at all times, and may not use the indoor showers since they may not remove their masks. Non-vaccinated individuals should social distance if partaking of dinners at SSA. Non-vaccinated individuals also may not block in any cars, since their car might need to be moved by others. First Street parking is available.

In addition, members and guests are advised as follows:

1. When parking, please understand that if you block someone in, you may have your car moved by someone you don't know. If this is a concern for you, please consider parking on the street as there will probably be space available.
2. The water bottle filler is available, but please do not use the water fountain function.
3. Take advantage of the outdoor handwashing stations.

See you soon.
